

About Falcon

Falcon Self Drive Ltd, now trading as Falcon Vehicle Solutions started over 20 years ago and has grown to offer a national vehicle hire service with its extensive fleet of vehicles. We pride ourselves on the high level of service we provide from our fleet of well-maintained vehicles and our courteous and knowledgeable staff.

From our branches located in Taunton and Bridgwater we are able to provide a comprehensive vehicle hire service for the corporate and private customer. We have a growing fleet of 650 vehicles ranging from a small car and van, up to and including 44 tonne tractor units; this also includes a full range of refrigerated vehicles and trailers.

Falcon Vehicle Solutions is a first class choice for your car and commercial vehicle hire. We hire vehicles in all areas of the UK and we are happy to provide a free collection and delivery service dependant on the length of hire period. In the unlikely event of a breakdown we offer a 24/7 breakdown cover throughout the UK. We pride ourselves on choice, quality, price and service. Our sole intention is to provide clean reliable vehicles at competitive prices and to give our growing customer base the type of service it expects in today's ever changing business environment.

As well as the conventional fixed term Contract Hire agreement we offer a flexible hire arrangement without the long term commitment. This service is available on our extensive fleet of vehicles. It provides our customers with the choice and flexibility to suit business needs.
